

## The Fog – by Lola Ridge

LibriVox volunteers bring you 15 recordings of *The Fog* by Lola Ridge. This was the Weekly Poetry project for September 4, 2016.

Lola Ridge, born Rose Emily Ridge, was an Irish-American anarchist poet and an influential editor of avant-garde, feminist, and Marxist publications. She is best remembered for her long poems and poetic sequences, published in numerous magazines and collected in five books of poetry. Along with other political poets of the early Modernist period, Ridge has received renewed critical attention since the beginning of the 21st century and is praised for making poetry directly from harsh urban life. - Summary by Wikipedia (This poem taken from *The Ghetto, and Other Poems*, Huebsch, 1918)
